Where is Janelia Farm?

The Janelia Farm Research Campus is located on 689-parklike acres on the banks of the Potomac River in Loudoun County, Virginia, just 30 miles from Washington, D.C., and about eight miles north of Dulles Airport.

The site was selected for its verdant setting, its proximity to both a major airport and HHMI headquarters in Chevy Chase, Maryland, and the abundant resources available in the region, including a variety of housing options, quality schools, and other residential services for employees.

Formerly the home and farm of Vinton and Robert Pickens, Janelia Farm got its name from a recombination of the names of their daughters, Jane and Cornelia.

The address for Janelia Farm Research Campus is 19700 Helix Drive Ashburn, VA 20147 Tel.: 571.209.4000
